Feeling the spirit of Qurbani

250,000 individuals to be benefitted from Qurbani Programme

Islamic Relief has planned distribution of sacrificial meat to approximately 36,000 families (250,000 individuals) in Kurram Agency, Nowshera, Charsadda districts of Khyber Pakhtunkhwa, Naseerabad, Jaffarabad – Balochistan, Muzaffarabad, Bagh and Neelum districts of Azad Kashmir respectively.

Islamic Relief's Qurbani programme started in 1986 and over the years has been increasing in size, reaching more and more people every year. In 2011, over 130,000 Qurbanis were performed benefitting nearly four million people in 29 countries including Pakistan.

Islamic Relief's Qurbani parcels are distributed to the most vulnerable people in the communities where we work including orphans, widows, elderly, Internally Displaced Persons (IDPs) and refugees. Each meat packet on an average contains 5kg of meat which is expected to last a family of four up to a week. These people live below the poverty line and many suffer from regular food shortages. For the majority of these people, meat is not part of their regular diet.

The Qurbani meat allows some families to eat meat after a whole year. When families receive Qurbani meat, it fosters a real sense of hope and joy for them and allows them to celebrate this important occasion along with millions of other Muslims.

Eid-Al-Azha is a joyous occasion for the Muslims as they act upon the Sunnah of Hazrat Ibrahim Kahlil Ullah (AS) and, as an Islamic faith-based organization, Qurbani programme has been a hallmark of our interventions across Pakistan as it gives us the lesson of sacrifice in every field of life.
