

THE PATH TO A BRIGHTER FUTURE STARTS HERE...

Making a difference:

Assalamu Alykum,

It is with great pride and pleasure that I welcome you to Islamic Relief Academy. IR`academy is the first Islamic Humanitarian training and research centre in the west. The IR Academy is the innovative and ground-breaking "Centre of Excellence" for the Islamic Humanitarian sector.

We have a team of specialist trainers with decades of experience in projects management and emergency response. The academy provide face to face and online training courses to a wide range of very diverse aid works in more than 40 countries. Our e-learning programme currently gives learners access to more than 250 online courses.

Following the success of the Management Development Programme (MDP), the academy designed and started rolling out training of the most promising Result Based Management Programme (RBM), this programme focus on diverting the aid work from the activity based approach to measure the effective and impact of projects on changing the life of the poor.

Very recently the academy started our ambitious internship scheme and I would like to take this opportunity to welcome our first post graduate interns who joined our programme. Through a mix of office work and field placement, the programme aims to equip interns with practical filed experience training and as consequence open doors for them to be well skilled and build a career in the aid sector.
